## Spring Convocation

### SPRING CONVOCATION: THE FIGURES

Three thousand five hundred and six University of Alberta students are eligible to attend this year's Spring Convocation which will be held on 26, 27, and 28 May at the Jubilee Auditorium.

The Faculty of Education has the most graduates: 1,100; this figure comprises 13 graduates in Vocational and Industrial Education, 604 BEd graduates, 424 students receiving PDADs, and 59 Graduate Diploma students.

The Faculty of Science has the next largest number of graduates with 424, and Arts follows with 353 graduates. Business Administration and Commerce will graduate 296 students. Two hundred and seventy students will graduate in Graduate Studies and Research while 173 students will graduate in Engineering and 132 students will graduate with degrees in Agriculture and Forestry. The Faculties of Law and Medicine have 114 and 110 graduates, respectively.

Physical Education and Recreation will graduate 99 students with 50 of those graduates of Physical Education. Pharmacy and Pharmaceutical Sciences has 78 students graduating. Seventy students will graduate in Home Economics, 65 will graduate in Nursing, and 64 will graduate in Rehabilitation Medicine.

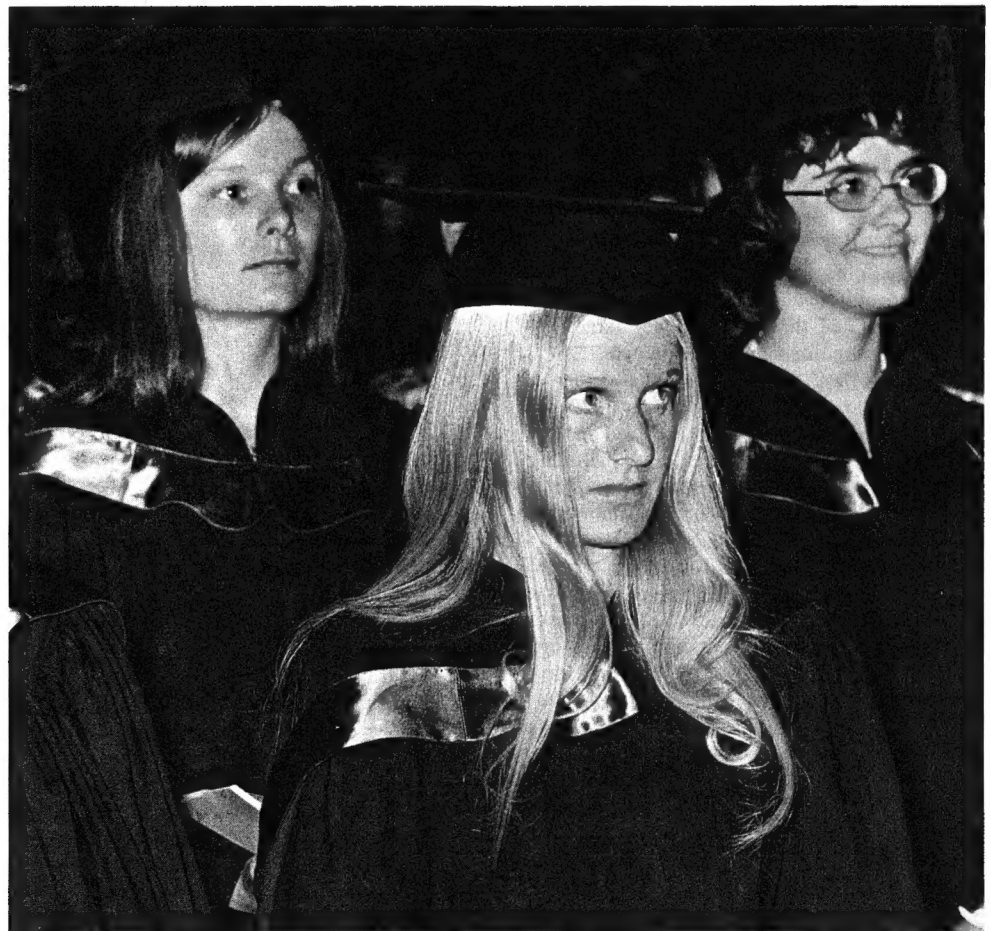

Library Science has 45 graduates. The Faculty of Dentistry will graduate 43 students and Dental Hygiene will graduate 36 students. Medical Laboratory Science has 19 students who will graduate. Collège Universitaire Saint-Jean has 15 graduating students.

### CONVOCATION CALENDAR

#### Part One

*2 p.m., Wednesday, 26 May*

Students from the following faculties will graduate: Business Administration and Commerce, Education, Home Economics, and Physical Education and Recreation Administration. The Honourable Ralph G.

Forrest Bard

Steinhauer, Lieutenant Governor of Alberta, will receive an Honorary Degree of Doctor of Laws. F.T. Jenner will receive an Honorary Degree of Doctor of Laws.

#### Part Two

*2 p.m., Thursday, 27 May*

Students from the following faculties will graduate: Agriculture and Forestry, Arts, Collège Universitaire Saint-Jean, Engineering, and Science. V.N. Mackiw will receive an Honorary Degree of Doctor of Science.

#### Part Three

*2 p.m., Friday, 28 May*

Students from the following faculties will graduate: Dentistry, Dental Hygiene, Graduate Studies and Research, Law, Library Science, Medicine, Medical Laboratory Science, Nursing, Pharmacy and Pharmaceutical Sciences, and Rehabilitation Medicine. T.C. Douglas will receive an Honorary Degree of Doctor of Laws. Walter C. MacKenzie will receive the Alumni Golden Jubilee Award.

## FOUR MEN TO RECEIVE HONORARY DEGREES

Each year, the University honors those who have figured prominently in society's development. At spring convocation, four such men will be presented with honorary degrees. Whether it be for work in politics, such as T.C. Douglas; excellence in his research field, such as V.N. Mackiw; for his unstinting efforts for farmers' and native organizations, such as Ralph Steinhauer; or for his contributions to the business and university communities, such as Fred Jenner, each has contributed in a consequential way to the community at large. Lieutenant Governor Steinhauer will deliver the convocation address on 26 May, Mr. Mackiw on 27 May, and T.C. Douglas on 28 May.

### Ralph G. Steinhauer

R.G. Steinhauer was appointed Lieutenant Governor of Alberta in 1974, achieving historical recognition as the first Canadian native appointed to this position. Coming out of retirement for the third time, Mr. Steinhauer stated that "It is a very large step I'm taking for the native people." Born in Morley, Alberta, Mr. Steinhauer established a farm near Brosseau in 1929. Since that time, he has been involved in farming and native organizations, including the United Farmers of Alberta, the Saddle Lake Centennial Development Association, the Board of Directors for Alberta Newstart, and the Alberta Indian Development Systems Limited. He helped launch and remains active in the Indian Association of

Alberta, is a member of the Two Hills Chamber of Commerce, and is an officer of the Order of Canada. A "grass roots" Albertan, Lieutenant Governor Steinhauer will continue to contribute to the development of the province.

### Fred T. Jenner

As a Board of Governors' Chairman, F.T. Jenner was described by President Gunning as "an extremely valuable man to have on the Board. We'd get serious about some issue and he would crack a few jokes and break the ice—and often the stalemate too." Retiring in 1970 as President and General Manager of Jenner Motors Limited, he has served as Director for Northwestern Utilities Limited, Financial Life Assurance Company Limited, and Inland Cement Industries Limited. He was past president of the Alberta Motor Association and the Canadian Automobile Association and is Director of the American Automobile Association. As a businessman and a member of the armed forces (he rose to the rank of Brigadier), F.T. Jenner promoted a strong Board of Governors concerned with maintaining a balance between provincial involvement and the University's concerns.

### Vladimir N. Mackiw

V.N. Mackiw immigrated to Canada in 1948, and, in 1949, began work as a research

chemist at Sherritt Gordon Mines Limited. He moved to Fort Saskatchewan in 1952 as Director of Research. From 1955 to 1968, he was Director of the Research and Development Division at Sherritt Gordon Mines Limited in Fort Saskatchewan and, since 1972, has been Executive Vice-President for the company in Toronto.

Mr. Mackiw is a Member of the National Research Council of Canada and of many other scientific organizations, a Fellow of the Chemical Institute of Canada, and Chairman of the Committee for Research of the Canadian Institute of Mining and Metallurgy. As author for forty-five published scientific papers and holder of forty-two patents, most of which deal with the treatment and separation of metals, he has demonstrated considerable excellence in his field of chemistry and has assisted development of the technical expertise necessary to exploit Canada's natural resources.

### Thomas C. Douglas

As Premier of Saskatchewan from 1944 to 1961, Tommy Douglas and his government instituted social programs which most Canadians now take for granted. As leader of the New Democratic Party from 1961 to 1971, he kept the party alive at a time when the Liberals and Conservatives battled for power. T.C. Douglas was born in Scotland and became a Baptist Minister. His involvement

in politics led him to be called anything from "a secret communist" to "never a socialist," but he always maintained a concern for the people. His oratory abilities won and lost him elections but never changed from the style of a man who abhorred debt, believed in socialism, and who offered "honest, efficient, progressive government." His attendance at convocation will allow the university to honor a man who has done much for Canada and the Prairie Provinces.

### FRIENDS OF THE UNIVERSITY ANNUAL DINNER MEETING

The annual dinner of the Friends of the University was held on 3 May at Lister Hall and guest speaker was the Chancellor of the University, Ronald Dalby. His speech was primarily concerned with two issues: relations between the University and the public, and the various responsibilities which concern both the Chancellor and the academic staff members.

Chancellor Dalby believes that the Senate stands between the University and the public, seeking to stimulate issues of concern and to aid in their resolution. The public should utilize it, he said, when they wish to make contact with the University but do not know where to turn. Mr. Dalby suggested that the "Senate has this very unique role

of dealing in terms of what people perceive to be fact, which at times can be well out of phase with reality."

With reference to the relationship between the University and government support, the Chancellor suggested that there "will be ever increasing pressure from certain elected officials and from certain parts of the general public to have our University place more and more emphasis on professional training at the expense of science and the arts. *This should never be allowed to happen.*" He suggested that certain academics in arts and science, in their reluctance to recognize the feelings and aspirations of those who support this institution, "are playing into the hands of those who suggest that there should be greater professional-vocational emphasis on post secondary education."

One central concern of Chancellor Dalby's is the inefficiency of the University's decision-making process. While he believes in the University's form of government, he believes that valuable academic time is stolen by the committee decision-making process. He emphasized that "academics within our University should take a close look at how the University's system of participatory democracy could be improved. They should understand that democracy is not a system where everyone participates in every decision." He also suggested that

academics "delegate more of their democratic prerogatives to their leaders if the University is to become more efficient and effective."

The academic staff, he says, "must be challenged to review the practices and procedures of administration on those matters which fall within the academic's areas of responsibility." Further, he seriously questioned the manner in which democracy is practiced by the academics.

Chancellor Dalby's final area of consideration dealt with foreign students. He noted the concern expressed by members of the public about foreign students who do not lack financial resources and are being subsidized by Alberta through low university tuition fees. The Chancellor believes that such students who have the financial resources should pay a much higher tuition fee than Canadian students but showed concern for the poorly financed foreign student: "My recommendation to the University and to Dr. Hohol is that foreign student fees be increased substantially, and that all monies in excess of the Canadian resident student fee level be placed in a 'Foreign Student Assistance Fund,' and used to help foreign students who do not have the financial resources to attend our University."

Chancellor Dalby closed his speech with a reminder to the Friends of the University that the University's responsibility lies not only

in contributions made to foreign countries, but also in the need to contribute to future generations through admirable action in the present.

## QUOTA ADMISSION GUIDELINES

At its meeting on 10 May, General Faculties Council Executive Committee considered problems of interpretation which have arisen concerning the admission guidelines to quota faculties.

As it stands, GFC policy under point 2 in the guidelines is that, for a two year period beginning September 1976, "in any quota program:

(a) a minimum of 5 percent of the positions shall be open to all applicants without regard to citizenship or residence, and (b) a minimum of a further 10 percent of the positions shall be open to all applicants who are Canadian citizens, landed immigrants, or residents of Canada."

Vice-President (Academic) M. Horowitz was concerned that a misinterpretation of these guidelines might have serious consequences for foreign students and non-Albertan Canadians and landed immigrants. The guidelines do not state whether the 5 percent and the 10 percent of positions refer to the first positions, the last positions, or any other section of the places available in a quota faculty. Several faculties have interpreted the guidelines to mean the first places.

GFC Executive decided on the following: "Regardless of the interpretation given to paragraphs 2(a) and 2(b) quota faculties are urged to recognize the desirability of having a mix of Albertan, other Canadian, and foreign students."

## MARKET SUPPLEMENTS

The following information has been received from Brian H. McDonald, Assistant to the President.

Applications for market supplements are invited by the Committee on Market Supplements; deadline for submission of applications is Tuesday, 15 June 1976. Application forms, copies of the regulations, and additional information may be obtained from Brian McDonald, telephone 432-5896. It should be noted that this year's regulations include a few minor revisions to the document used last year.

The market supplement program was introduced by the Board of Governors on 1 July 1975 and applies to regular full-time faculty only. As suggested by the program title, the market supplement program is an attempt

## APPOINTMENTS

M.G. Poole and David C. Norwood have been appointed Executive Assistant and Assistant, respectively, to the Vice-President (Finance and Administration). Mr. Poole obtained his BCom and MBA from this University and joined the academic staff in 1968 as Assistant to the Vice-President (Finance and Administration). Mr. Norwood worked as an Editorial Assistant for the Publications Office before joining the academic staff in 1975. He obtained his BA (Honors) and MA in History at this University and has a textbook in press on European history for American high-school students.

## AFRICA WEEK PROGRAM

Africa Day, 25 May, has been set aside by the Organization of African Unity as an international celebration to commemorate, highlight, and express solidarity with African liberation struggles. While it has been a major event in many parts of Canada and the United States, this year will be its first major appearance in Alberta.

In Edmonton this year, the celebration extends from Tuesday, 25 May, to Saturday, 29 May. It will offer a wide variety of educational and cultural events open to the whole community and is designed to increase consciousness of and support for African liberation struggles. African songs

and dances will be highlighted, and dishes, arts and crafts, literature, a fashion show, and an exhibition soccer match will also be featured. A significant part of the week will be devoted to discussion on historical, cultural, social, political, and economic aspects of African society.

The program for Africa Week follows. Further information may be obtained from Ndalo Ajode at 426-1914 or the Foreign Student Office at 432-4145.

## NOTICES

---

### STUDENT HOUSING REGISTRY

The Student Housing Registry is posting notices throughout the summer of available accommodation. The notice board is outside 259 Students' Union Building, at the west end of the second floor.

The Registry also maintains an electronic secretary at 432-4212 to receive calls pertaining to problems students or staff may have acquiring accommodation.

### DIAL-A-DIETITIAN

Dial-a-Dietitian is a public service carried out by the Alberta Registered Dietitians Association. The service allows persons to call 439-4442 (an answering service) and ask questions about nutrition, planning adequate meals, purchasing, storing, or handling of foods, food labelling and additives, preparing and cooking new convenience foods, and similar topics. Within forty-eight hours, a volunteer registered dietitian will call back with the researched answer to the question.

The purpose of Dial-a-Dietitian is to provide the public with an authoritative source of nutrition information. The service is free of charge to all Edmonton and area residents. Dial-a-Dietitian operates from 9 a.m. to 5 p.m. Monday through Friday, holidays excepted.

### ANNIVERSARY CELEBRATION

St. Francis of Assisi School, 6614 129 Avenue, will be celebrating its sixty-fifth anniversary on Sunday, 13 June, starting with a 12 noon Mass at St. Francis Church and an open house from 1 p.m. to 5 p.m. in the school.

The organizing committee is interested in getting in touch with all alumni of St. Francis School. If you are interested in attending the celebration, please telephone the school at 476-7634 and give your name, address, and year or years of attendance. If you have any pictures, mementos, or other items that you might wish to lend the school on a temporary basis for the displays, the organizers would appreciate it.

### VISITOR PARKING

Staff members are reminded that advance

parking arrangements should be made with Parking Services for persons invited to the University as guest speakers or for other purposes related to departmental functions. This cooperation is necessary so that such persons may park their vehicles on the campus in accordance with the Traffic and Parking Regulations of the University.

### INFORMATION RETRIEVAL SERVICES

For two years the Library has successfully been using computerized information retrieval systems, MEDLINE (based on Index Medicus) and CAN/OLE (based on Engineering Index, Chemical Abstracts, Biological Abstracts, and Information Services in Physics, Electrotechnology, Computers, and Control).

The Library has just gained access to thirty-nine additional data bases. MEDLINE and CAN/OLE are primarily of interest to those in the sciences and health sciences; the new data bases will not only augment these systems but will also be of great value to most University departments. Some examples of the data bases are ERIC (Education from National Institute of Education), Psychological Abstracts, GEO-REF (Geosciences from American Geological Institute), INFORM (Business Management, from ABI Inc.), and Social Scisearch (Social Sciences Citation Index).

Service will commence 15 May in the General Sciences Library, the Medical Sciences Library, and Computing Services. The Education Library and Rutherford North Library will commence service on 1 July. The charge for a search will be \$20 per search per data base for faculty and students and \$25 for off-campus users.

Please contact librarians in all library divisions for further information:

### FACULTY CLUB FRIDAY NIGHTS

During June, July, and August, the Club will be experimenting with a new Friday evening format. From 6 p.m. to 11 p.m., à la carte items will be available from the downstairs grill for dining on the Patio or in the Lower Lounge in the "Biergarten." In the upstairs Dining Room, the summer fare will consist of the regular dinner menu together with a moderately-priced specialty dinner. Although upstairs dress regulations will be relaxed, members are requested to use discretion in choosing their attire. Shorts, cut-offs, and other overly casual dress will be regarded as inappropriate. We believe that this revised Friday evening format will provide pleasant

dining for all our members during the summer months. For further details, watch for the June Calendar of Events.

## **NON-CREDIT COURSES**

### **UNIVERSITY MANAGEMENT PROGRAM**

The Kellogg Foundation of Battle Creek, Michigan, has awarded a grant of \$183,000 to the Association of Universities and Colleges of Canada to support the first Canadian management development program designed specifically for senior university administrators. The grant is for a five-year period and is complimented by a \$38,000 grant from The Richard and Jean Ivey Fund of London, Ontario, for research purposes over a two-year period.

The two-week course will be offered once a year for five years by the School of Business Administration of the University of Western Ontario. The first in the series is scheduled for 15 to 27 August, 1976. The main objective of the course will be to broaden and sharpen the skills of participants in the recognition, analysis, and action of management problems across the spectrum of circumstances. It will cover topics and problems in fiscal management, organizational behaviour, union-management relations, relations with the environment, and management planning and control.

The fee is \$500. This sum covers the cost of instruction, classroom materials, and lodging and meals for the two-week period. The Kellogg Foundation grant will be used to subsidize the course fee on nearly a dollar-for-dollar basis.

Application forms and brochures may be obtained from J.J. DiStefano, Director, Senior University Administrators' Course, School of Business Administration, The University of Western Ontario, London, Ontario N6A 3K7.

### **COMPUTING SERVICES**

Computing Services is offering two courses in May and June. Use of Terminals is an introduction to the use of the computing system at the University. Using computer terminals, it includes practice in procedures for signaling onto the system, information storage, and manipulation. The first section is on 31 May and 2 June, the second on 15 June and 17 June.

Introduction to Text Editing and Formatting is of use to both members of staff (academic and non-academic) and students who wish to use the MTS computing system to edit and produce papers, articles, theses, books, and other documents. The course involves use of the File Editor and \*FMT in

the editing of texts and formatting of manuscripts. Adequate computer time will be provided for students to do meaningful exercises. It runs from 7 June to 11 June, 2 p.m. to 4 p.m. Registration must be completed in advance; there is a fee of \$10 for students and staff, \$20 for commercial clients. Obtain additional information by calling 432-1463.

#### DESIGNING MORE EFFECTIVE ORGANIZATIONS

This two-day seminar will be an integrated program of workshops, case analyses, discussions, and lectures concerned with developing new designs for jobs and organizations which will increase the quality of working life and improve organizational effectiveness. Topics to be discussed include analysis of the changing social, technological, economic, and cultural environments; the socio-technical systems experienced in the study and design of jobs and organizations; and principles and cases of new design and redesign. The deadline for registration is 26 May. The fee is \$125 including luncheons and materials, and registrations are accepted in 228 Corbett Hall. Additional information can be obtained by calling 432-5066 or 432-5067.

#### MANAGEMENT BY OBJECTIVES

This seminar has been designed to develop an appreciation of Management by Objectives and is scheduled for 3 and 4 June by the Faculty of Extension. The instructor, J.C. Longman, currently Regional Director for the Institute of Canadian Bankers, will deal with the identification of organizational goals, the process of allocating responsibilities, and the evaluation of individual and corporate results.

Among the topics to be covered are management styles, theories of management behavior, defining the manager's job, and analysis and discussion of practical applications of the principles of MBO.

The registration deadline is 24 May. The fee is \$95 including luncheons, textbook, and materials. Registrations are accepted in 228 Corbett Hall. Obtain additional information by calling 432-5066 or 432-5067.
